# WARM GREETING FROM IRAN

---

The CINEPORT distribution group is proud to introduce some of the best independent Iranian films for international sales. Iran's Movie has become a desirable content for families and youth and we receive lots of demands to screen them.

By this Email we bring number of products which are qualified by international film festivals around the world and all their rights (Cinema, TV Content, Airlines, VOD, DVD, etc...) are available for acquisition. You can see their details in the attach file as below.

All of these movies are in HD format and higher quality. All have English subtitle and English Dubbed version is also available free of charge if you so request.

Please let us know if you would like a screener, we would be more than happy to send on over.

We would be keen to speak further with you about the possibility of an acquisition deal and also we would be appreciate to have our films considered for your line up.

Thank you, and I hope to hear of you soon!
